

Godmanchester Primary School (Community Use)

Tel: 01480 375115

Shirley Brown  
Community Secretary

We aim to provide a well balanced programme of activities to suit most tastes.

Each year we review the community use, especially hall space, which is in great demand. Clubs or groups who would like to be considered should contact the office.

Already taking place at our school are classes for adults and children which include; martial arts, yoga, dancing, pottery and art. The local uniform groups also use our facilities.

The floodlit area is mainly used by football groups in the winter months and the Godmanchester Tennis Club from April to September.

On Tuesday afternoons from 1-3pm our Family room is open to parents and carers with pre school children. It's an opportunity to come together for a coffee and a chat. There are pre school books for the children to look at and puzzles and games for play, 'messy' afternoons are also arranged.

We have a number of different sized rooms, which can be hired out to clubs or groups; our large hall is suitable for wedding receptions and party celebrations at reasonable rates.

If you are considering taking up an activity or would like to book a room or the hall for a special occasion, please call the school office we will be pleased to be of help.
